

Hello Friends of Hereford Girls Lacrosse,

I would like to take this opportunity to introduce myself as the new Commissioner of Girls Lacrosse for Hereford Recreation Council.

I have 2 very active daughters, and I've been a girl's lacrosse and soccer coach for several years. Previously, I served as the Commissioner for the 7th District Rec. Soccer Program.

We have several new members on the girl's board, and we're implementing some exciting new ideas and programs that should greatly enhance our program this year. One of our main initiatives is to provide additional coach and player training. To this end, we have many clinics planned for coaches and player's at all levels to learn and develop skills and strategies designed specifically for Women's Lacrosse. Please visit the web site periodically to watch for info on these programs.

Here is the team that will make every effort to give your daughters a great lacrosse experience:

Bill Litsinger

Lauren May

We have an experienced group of coaches, asst. coaches and volunteers at various levels but as the program continues to grow, we're always looking for new volunteers. . If you're a current or former lax player, someone that loves sports, or just an enthusiastic and interested parent please contact us to discuss how you can become part of our team!

A few dates to write into your schedules are:

February 2 and February 9: Girls Evaluations for Lightning, Midget and Junior Girls
5-10 PM, Four Seasons Sports Complex, Schedule TBA

Again, please contact any of us with suggestions or to volunteer some time to help foster a lifelong love of girl's lax for your daughter! We are looking forward to the spring season!

Happy Holidays !!
